

TELOPEA PARK SCHOOL SCIENCE WEEK CELEBRATIONS

An exciting, hands-on afternoon of STEM! Students, parents and carers are invited to participate in our activities and celebration of this year's National Science Week.

When: Thursday August 15 2019, 3:30 PM to 5:00 PM
[Download event for your calendar](#)

Where: Telopea Park School Science Laboratories

Topic: Earth and Space

Cost: Free

Other: Wheelchair access

Social Media: [Facebook](#)

RSVP: Monday 12 Aug, onawe.siakimotu@ed.act.edu.au

Telopea Park School is hosting an exciting afternoon of STEM-based activities to celebrate National Science Week through investigations and demonstrations by our Year 7 students to showcase their learning to parents and carers.

The event highlights the enthusiastic commitment and involvement of our students and teachers in STEM-based activities and promotes a positive and aspiring attitude to learning.

This is a great opportunity for our school community to join in a family-friendly event, with science taking centre stage. Afternoon tea will be available.
