SECONDARY NEWS

The year 2018 is rapidly approaching the end! All year 10 students in English have finished their final assessments. Year 7-9 students are in the process of completing their final tasks. Families can support to students achieve the completion of their assessments on time by ensuring that students manage their time prudently. All students are expected to complete their work on time based on subject specific requirements. Some students have been a little tardy in preparation and submission of assignments despite being given ample time to complete their work. Meeting deadlines is a life-skill and I urge refining skills and strategies to adhere to schedules when an assessment is due as often students negotiate submission of work well after the due date despite timely reminders in class. Teaching will continue after the submission of the last assessments.

STAFF

2018 saw some changes in the English faculty. There has been a slight change in English Faculty this year. English as an additional language or dialect (EALD) has been moved to English now and we are fortunate to have Dr Karl-Erik Paasonen in English. His expertise in EALD is a great resource to access. Mr John Daniels moved to English and his expertise, collaboration and co-operation are refreshing. At the beginning of the year, the English faculty secured Ms Emily Clark as an English teacher. Mrs Julia Gale returned to full time teaching after her leave. Mr Livermore, Mrs Hemming, Dr Susan Blythe-Jones and Mrs Hilson are continuing with their dedication and commitment.

UNSW Writing and English Competition

UNSW ICAS English and Writing Competitions were held last semester. Out of 24 students who participated in the ICAS English Competition, the following received High Distinction: Elanor Parkinson (Y9) and Ranusha Nanayakkara (Y10). The following students received a Distinction: Joseph Boke (Y10) and Yieyi Yu (Y10). In the Writing Competition, the following students achieved Distinction: Orli Baumgart (Y8), Swathy Sivapatham (Y8), Patricia Quyen (Y9) and Timothy Boke (Y10). Congratulations to these students for achieving an outstanding outcome!

Performances

The faculty booked several performances this semester. Actors from Poetry in Action held an informative and entertaining performance for year 7 students on 'The Poet's Quest'. This excursion was timely as all Year 7s began their poetry study in Term 2.

Mr Livermore organised several Bell Shakespeare performances for years 8 and 10 students. Mrs Hemming and Dr. Blythe-Jones took about 50 year 10 students to watch stage performance of Shakespeare's play "Julius Caesar". Students thoroughly enjoyed all performances.

Debating News

Celebratory news again in Debating! In Semester 1 of the debating season, our Senior Open team won the Murray trophy. Congratulations to Elanor Parkinson, Mikhail Danilov, Noam Yehezkel and Haleema Saadia for an outstanding achievement! The same team participated in the Junior Premier division in Semester 2 and were awarded a win again. Congratulations to all participants for their commitment, dedication and for representing Telopea!

Year 8 and Year 10 teams represented Telopea at the Interschool Parliamentary Debates this semester. All students demonstrated excellent research and public speaking skills. Their collaborative skill as a team is commendable.

Debating is possible due to the commitment of families and dedicated teachers given that these debates are held after school hours. I'd like to extend my acknowledgement and appreciation to Mr John Daniels for attending Senior Open debates on Wednesday evenings. Debating, performances, competitions and workshops are extension opportunities for all students and when these are organised, families are requested to make payments by the due dates to the finance office to enable participation and to avoid disappointment.

If your child has asthma, please be aware of the triggers for their Asthma and advise the school accordingly. If they have an Asthma plan in place you should also provide the school with a copy.

Remember you can advise us of any other issues that may affect your child's health, either to Ruth O'Reilly or me on 614 23351 or through Student Services and please also remember to keep your details up to date.

PRIMARY NEWS

As we enter the final weeks of the 2018 school year our students are busy completing units of work, assessment and working towards their end of year culminating activities.

Our classroom teachers are currently completing assessment and reporting and are reflecting on student outcomes, interrogating data and considering individual student performance. End of semester reports will be distributed to families during the final week of term 4.

Notification of 2019 Intentions (School Leavers)

We would like to take this opportunity to remind those families planning to move overseas or interstate for the 2019 school year to notify us promptly as we currently have students on our waiting list. Keeping us informed helps us to plan for 2019 numbers and allows us to plan for and support new students transitioning into our school. We thank you in advance for your cooperation and support.

K-3 Concert

During week 6 we hosted our annual K-3 concert. We would like to acknowledge the work of our Specialist Music Teacher Susan Cribb and the entire K-3 teaching team for their efforts in supporting our students and preparing them for the K-3 Concert. It was a fantastic event. The students looked wonderful in their costumes and sang superbly! We would like to congratulate the K-3 students on their performance and thank our parent community for their support.

Year 6 Graduation

We wish to acknowledge the achievements of our Year 6 students and their role this year in leading our student population. They have had a wonderful year and should be proud of their achievements as leaders of our school. It has been a pleasure to watch them grow in the time that they have been with us at Telopea Park School Primary and we wish them the very best of luck in their future studies in secondary school both in Australia and to those moving overseas. This week invitations to our 4-6 Awards and Graduation Ceremony held on Monday the 17th December were distributed. We look forward celebrating our student's success and honouring our departing students at this important event and look forward to sharing this special day with our parent community.

Royal Life Saving ACT Swimming

Year 2 students will commence their first Royal Live Saving swimming lessons on Monday 17th December. The confidence and skills gained during this program help to prepare students for summer swimming. Thank you to parents and carers for supporting this valuable enrichment activity.

Kindergarten Orientation Days

This week we welcomed our incoming 2019 Kindergarten students and their families to our school through our Kindergarten Orientation Sessions. Our 2019 students had the opportunity to visit their classrooms, meet their teachers and familiarise themselves with our school environment. We have been delighted to meet so many enthusiastic students and look forward to welcoming them to our school in 2019.

Tennis:

Telopea Park School has become the first ACT school to win the Todd Woodbridge Cup after claiming the title at Sydney Olympic Park Tennis Centre on Monday 19th November.

Established in 2016, the competition for Year 3 and 4 students uses modified courts and low compression red balls. The competition encourages participation, providing a positive experience playing tennis, growing friendships and giving students the opportunity to represent their school in a team environment.

After winning the ACT State Final in September, Telopea Park progressed to the finals to compete against 19 schools from across NSW. After making it through five pool rounds undefeated they progressed through to the final where they won their match against St Patrick's School, Albury. An outstanding job! Congratulations to our Physical Education Teacher Cathy Marot and the team on their achievement.

NOUVELLES DU PRIMAIRE

Alors que nous entrons dans les dernières semaines de l'année scolaire 2018, nos élèves sont occupés à terminer des séquences de travail, à effectuer des évaluations et à préparer leurs activités de fin d'année.

Nos enseignants terminent actuellement les évaluations et les livrets scolaires et se penchent sur les résultats des élèves, analysent des données et prennent en compte les performances et les progrès individuels pour remplir ces livrets scolaires de fin de semestre. Ceux-ci seront envoyés à la maison au cours de la dernière semaine du semestre 4.

Notification des intentions 2019 (partants)

Nous aimerions profiter de cette occasion pour rappeler aux familles qui envisagent de déménager à l'étranger ou entre états pour l'année scolaire 2019 de nous prévenir rapidement, car nous avons actuellement des élèves sur notre liste d'attente. Nous tenir informés nous aide à planifier les effectifs de 2019 et nous permet de mieux accueillir et accompagner l'arrivée des nouveaux élèves.

K-3 Concert

Au cours de la semaine 6, nous avons organisé notre concert annuel K-3. Nous tenons à remercier la professeur de musique, Susan Cribb, et toute l'équipe pédagogique du K-3 pour leur travail avec les élèves et de leur préparation pour le concert. C'était un événement fantastique. Les élèves avaient l'air fantastique dans leurs costumes et chantaient superbement ! Nous voudrions féliciter tous nos élèves de la maternelle à la 3e année pour leur performance et remercier notre communauté de parents pour leur soutien.

Graduation 6ème

Nous souhaitons reconnaître les réussites de nos élèves de 6ème et leur rôle cette année dans le leadership du primaire. Ils ont passé une année merveilleuse et devraient être fiers de leurs réalisations en tant qu'ainés de notre école. Cela a été un plaisir de voir grandir nos élèves de 6^{ème} pendant leur scolarité à l'école primaire de Telopea Park School et nous leur souhaitons la plus grande réussite dans leurs études à l'école secondaire en Australie et à ceux qui déménagent à l'étranger. Cette semaine, des invitations à assister à la cérémonie de remise des certificats de CM1 à 6^{ème} et à la cérémonie de graduation des 6èmes du lundi 17 décembre ont été distribuées. Nous sommes impatients de célébrer le succès de nos étudiants et de les honorer lors de cet événement important et nous avons hâte de partager cette journée spéciale avec notre communauté de parents.

Royal Life Saving ACT Natation

Les étudiants de CE1 commenceront leurs premiers cours de natation le lundi 17 décembre. La confiance et les compétences acquises au cours de ce programme aident à préparer les étudiants à la natation l'été. Merci aux parents et aux tuteurs de soutenir cette activité enrichissante.

Tennis:

Telopea Park School est devenue la première école de l'ACT à remporter la Coupe Todd Woodbridge après avoir gagné le titre au Centre de tennis du parc Olympique de Sydney le lundi 19 novembre.

Créée en 2016, cette compétition rassemblant des élèves de Y3 et Y4 utilise des courts modifiés et des balles rouges à faible compression. La compétition encourage la participation, offrant une expérience positive de tennis, l'opportunité de jouer avec des amis et donnant aux étudiants la possibilité de représenter leur école au sein d'une équipe soudée.

Après avoir remporté la finale de l'ACT en septembre, Telopea Park School s'est qualifiée pour la finale et a affronté 19 écoles de NSW. Après avoir remporté cinq matches de groupe sans être battus, nos élèves se sont qualifiés pour la finale, où ils ont gagné leur match contre St Patrick's School, Albury. Une performance exceptionnelle ! Félicitations à notre professeure d'éducation physique, Cathy Marot, et à son équipe pour leur grande victoire.

C'est très facile! Tous les parents qui ont aidés au stand de la tombola à La Grande Fête ont su le faire en une ou deux minutes. Vous avez juste besoin d'un dispositif avec Access à internet (téléphone, iPad, tablette, etc.). Si vos acheteurs veulent payer en argent liquide, ramenez s'il vous plait, les gains à l'école au service Finance ou au bureau du Primaire avant que la tombola ne soit tirée. N'oubliez pas d'indiquer votre nom et le montant de vos

gains au personnel qui recevra vos fonds. Pour plus d'information, contactez Rukshan RaffleCoordinator@telopeapnc.org.au.
