

Student Services

Telopea Park School aims to nurture and enhance student academic, physical, social and emotional wellbeing.

We aim to ensure that, while at school, students feel positive about their experiences, confident in themselves and their connectedness to the school.

We focus on developing the skills necessary for students to learn about themselves, their relationships, and to make decisions that are ethical, healthy and positive.

Considerable research indicates that holistically meeting the academic, social, emotional and cultural needs of students and building positive relationships leads to a sense of belonging, and improved student results.

Telopea Park School fosters connectedness and promotes a safe school environment under the arches of Student Services.

The Executive teachers of Student Welfare and Student Engagement work with the Leadership Team, Year Coordinators, School Psychologist, Youth Worker, Student Administration, and classroom teachers.

The Executive Teacher of Student Engagement oversees the welfare of all students through the development and implementation of school wide programs and initiatives including: Personal and Social (PS) sessions, Contact Groups (CG), the 'Student Representative Council', coordinating Personal Learning Plans (PLPs), peer support programs, excursions, camps, extra-curricular activities such as band, drama, sport, breakfast club, student group, lunchtime activities, and outside agency support.

The Executive Teacher of Student Welfare oversees the welfare of all students by monitoring and managing student attendance, behaviour and achievement, coordinating Individual Learning Plans (ILPs), facilitating school-wide differentiation, and strengthening relationships through Restorative Practices.

The aim of Student Welfare is to ensure that students, teachers and Parents/Carers communicate and collaborate with each other to ensure the best possible educational experience for each student.

Parents/Carers are encouraged to contact Student Services to seek clarification about any concerns regarding their child.
