

## Uniform Dress Code Policy

Teloepa Park School's dress code was implemented by the School Board after discussions with the school community. Parents/carers when enrolling their son/daughter sign the Teloepa Park enrolment form stating that their son/daughter will comply with the policy and wear dress code.

All students at Teloepa Park School are expected to wear dress code. Attending school out of dress code will restrict student movement to the inner courtyard at recess and lunchtime; prevent students from representing the school and/or attending school excursions.

**Each piece of clothing must be a single colour.**
