LE MOT DU PROVISEUR

Cinq semaines se sont déjà écoulées depuis la rentrée et vous pourrez constater que nos élèves ont été très actifs depuis le dernier Telopea Topics!

Le Camp des Year 7

Nos élèves de Year 7 se sont rendus à Jindabyne du 26 au 27 février. Ils ont pu participer activement à de nombreuses activités de plein air dans

lesquelles ils se sont particulièrement bien impliqués dans celles-ci. Les deux Principaux adjoints du Secondaire, Michele McLoughlin, Tom Kobal, et moi-même avons pu nous rendre sur place pour constater qu'il y avait une très bonne ambiance et un encadrement de grande qualité. Ce camp est très important pour l'intégration de nos élèves dans l'école. Ils peuvent former de nouvelles amitiés qui dépassent le cadre des classes dans lesquelles ils suivent leur enseignement et voir les professeurs dans un autre contexte. Le bénéfice de ce camp est réel et se poursuit sur toute l'année, voire les 4 années de collège à Telopea Park School. Merci à tous les professeurs pour leur engagement dans ce projet essentiel à la scolarité de nos élèves.

Le Primary Cross Country Carnival

Nos élèves nés entre 2002 et 2007 ont couru au Cross Country Carnival de l'école vendredi 07 mars. Une belle occasion de célébrer l'effort ainsi que d'encourager nos plus jeunes élèves à la sportivité et à l'esprit d'équipe. Un grand merci aux enseignants organisant cet événement ainsi qu'aux parents leur ayant prêté main forte.

Et dans les semaines à venir,

Citizenship Ceremony

Telopea Park School a été choisie pour héberger la prochaine cérémonie de citoyenneté australienne. Nous sommes ravis d'accueillir cet événement marquant au cours duquel environ 120 personnes recevront la nationalité australienne le mardi 18 mars. A cette occasion la Chorale du Primaire se produira. Un symbole fort dans notre école multiculturelle.

REPORT FROM THE PROVISEUR

Five weeks have passed since the return to school and you will see that our students have been very active since the last issue of our Telopea Topics!

Year 7 Camp

Our Year 7 students went to Jindabyne on 26 and 27 February. They participated in numerous outdoors activities in which they were actively engaged. Michele McLoughlin and Tom Kobal, the two Secondary Deputy Principals, and I have been able to visit them and attest to the excellent atmosphere as well as high quality leadership. This camp is of utmost importance for the integration of our students within the school. They form new friendships outside their classroom environment and see their teachers in a different perspective. The benefit of the camp is real and carries on throughout their time at Telopea Park School. Thanks to all the teachers involved in such a valuable part of our students' education.

Primary Cross Country Carnival

Our students born 2002 to 2007 participated in the school Cross Country Carnival on Friday 7 March. This was a great opportunity to celebrate the effort and encourage our youngest students in a sports culture and team spirit. Thanks to the teachers organising this event and to the parents who volunteered their assistance.

And in the coming weeks,

Citizenship Ceremony

Telopea Park School has been selected to host the next Australian Citizenship Ceremony. On Tuesday 18 March we will be delighted to host this memorable event during which about 120 people will receive the Australian citizenship. For this occasion the Primary Choir will be performing highlighting our multicultural school.

Francophonie Assembly

Tuesday 25 March, Telopea Park School will hold the Francophonie Assembly. Throughout the world, the many embassies members of the International Organisation of the Francophonie will stage an event around the Francophonie Day. Last year, this special day was celebrated at the National Gallery of Australia, and this year we are happy to host this event in our school. For the occasion, the Primary Choir will sing the Francophonie Anthem, and we will also welcome Red Hill Primary Wassa Wassa Drum Ensemble. Ambassadors and Members of the Parliament will also address the assembly. We are certain it will be a wonderful assembly and a unique opportunity for our students to participate in a world event celebrating the French language and multiculturalism.

French Film Festival

Our students will have the opportunity to participate in the French Film Festival during dedicated school sessions. Our Kindergarten, Year 1 and Year 2 students will thus attend the screening of *Kirikou* on 19 March, Year 3-6 classes will attend the sessions of *Maman est en Amérique, elle a rencontré Buffalo Bill (Mum is in America and has met Buffalo Bill)* on 20 March, and Year 7-9 classes will join the French students of the English stream for *Belle et Sébastien* on 21 March. We wish them all a good time watching these movies, another excellent opportunity to enjoy an element of the French culture.

Year 6 Camp

Year 6 will attend their camp 12-14 March. We wish them a wonderful time during this camp. The camp is dedicated to group activities aimed at fostering their development and stimulating momentum for the whole year.

Spirit of Anzac Award

We are proud and delighted to announce that Peter Alliot, Year 10 French Stream student, has been awarded the *Spirit of Anzac Award*. He is one of only 2 ACT student recipients of this award. We congratulate him wholeheartedly. With this prize he will be able to travel to Turkey during the next holidays and he will be accompanied for this occasion by Tom Kobal, Deputy Principal. We wish them a terrific stay and hope they will come back with fond memories and photos to show the Telopea Park School students.

Reminder

We would appreciate the prompt return of the 'Third party ICT' forms which are absolutely necessary to the pursuit of our teaching using the most up to date information technologies.

I wish you all two excellent weeks until the next Telopea Topics issue, in which we will give you feedback on all these events that reinforce our daily teaching and learning and give our students the opportunity to thrive in an environment of exceptional learning.

The class has been working on designing an original pizza as part of their assignment. In the coming weeks Year 7 will begin to prepare for a morning tea for which they will be responsible for catering. Visual Arts Report (by Danielle Northey)

In art, students are working through a range of inspiring projects, utilising the design process to create something unique. These include emotive self-portraits, pop art portraits and still life. With extra curriculum opportunities for students, it gives them a chance to have work displayed in a plethora of settings. Recently, works were exhibited at the opening of the restoration of our schools historical painting. Students will soon have an opportunity to be involved in other exhibition and art competitions such as 'Limelight'.

Science Challenge Opportunity

Every year a number of external, multiple choice style competitions are hosted at Telopea Park School. Students intending to study science at Quantum level are strongly urged to participate in two of these competitions. We would like to encourage all Telopea students to attempt as many of these competitions as they wish. These competitions attract hundreds of thousands of students nationally and internationally, to which an individual student's performance can be compared.

Apart from providing students with experience in sitting externally set papers, some of these examinations help students develop analytical skills (which does develop with practice), while others provide insight into the importance of science in the community or as a career. Each of the quizzes awards a certificate and provides insight into a student's strengths. Feedback is always valuable.

In addition to other extension opportunities, the following quiz-style science competitions are been run this year.

Competition	(probable) Cost	Date of competition and information
Rio Tinto Big Science Competition	\$7.00	Wednesday 21st May (TERM 2 – week 4): 1 hour This is a non-profit competition is designed to complement Australian Maths Challenge. While requiring some prior knowledge, it also incorporates scientific skills testing. Eventually the Challenge will be used to identify students with potential to do well in the Science Olympiad Competitions.
Australasian Science Competition (ICAS)	\$8.00	Wednesday 4th June (TERM 2 – week 6): 1 hour Tests problem solving without requiring prior knowledge, and develops this skill. Each participating student receives a certificate and a question-by-question analysis of his or her performance. There are also medal awards. http://www.eaa.unsw.edu.au/icas/australia#sci
RACI Australian National Chemistry Quiz	\$6.00	Tuesday 24th June (TERM 2 – week 9): 1 hour Well-known competition testing each student's knowledge and ability in chemistry; but no more than the standard level taught in any General Science course offered in Australia. Each participating student receives a certificate and schools will receive a question-by-question analysis of student's performance. Plaques are awarded to students who achieve exceptional results. http://www.raci.org.au/national/events/nationalchemistryquiz.html

- **Please choose the competitions you want to attempt carefully, as papers require pre-payment and will only be ordered for students who request them.**
- **Payment** for each competition is due to the Finance Office by **10th April (Thursday, Week 10, Term 1.)**

At the National Gallery of Australia the students viewed the 'Ned Kelly' series of paintings by Sidney Nolan and visited the 'Toy' Exhibition.

Telopea Park Primary Cross Country Carnival

The annual Telopea Park Primary Cross Country Carnival was held at Telopea Park on Friday 7 March 2014. It was a wonderful to see all the students from Years 2 to 6 participate in this carnival. Sporting days like this take a lot of organisation and I would like to thank Ben Yuen and Megan Taylor from the P.E faculty, Laure Chatelard, Cathy Marot, the sport leadership students and the teachers and parents who assisted me on the day. It was a real team effort!

Todd the Frog and Gribouille la Grenouille via Telopea Park School Book

This book is about a journey of bilingualism at Telopea Park School. It was written and illustrated by the students from Kindergarten to Year 6 in 2013. It was a Primary School Project to mark the 30th anniversary of the signing of the Bi-national Agreement and the 90th anniversary of our school. The PCC will rehearse on Thursday afternoons from 4.30pm till 5.30pm during school terms at the IMP in Kaleen. The Primary Concert Choir will be conducted by Katharine Finlayson. The choir is an extension opportunity for students in ACT Education and Training Directorate schools and it is expected that members of the PCC will also participate in the choir or vocal ensemble at their school if this opportunity is available.

The choir is an excellent opportunity for enthusiastic and talented young singers to work together in a supportive and fun environment. Further details and information about how to apply for an audition are available from the Instrumental Music Program website at www.imp.act.edu.au. The application form can also be accessed through this site.

Matinée d'information des parents sur la Lecture de la Maternelle au CE1

Vendredi 14 Mars 2014 à 9h 15 dans la Bibliothèque du Primaire, Muryel Martin et Kathy Solomko conduiront la session annuelle d'information sur la lecture destinée aux parents des élèves de Maternelle, CP et CE1. Lors de cette session, elles présenteront diverses stratégies pour que les parents puissent venir en aide à leurs enfants du second cycle du primaire en ce qui concerne la lecture à la maison. Un fascicule d'informations y sera distribué ce jour-là. Si vous ne pouvez assister à cette session vous pourrez cependant obtenir ce fascicule au Secrétariat du Primaire.

Excursion des classes de Sixième à la Bibliothèque nationale et la Galerie nationale d'Australie.

Les excursions constituent une expérience essentielle et sont inclus dans les programmes scolaires. Jeudi 6 Mars 2014, les élèves en classes de Sixième se sont rendus à la Bibliothèque nationale et à la Galerie nationale d'Australie. Dans la première ils ont pu voir l'exposition 'Cartographiant notre monde' et dans la seconde, la série de peintures de Sydney Nolan intitulée 'Ned Kelly' et l'exposition sur les jouets.

Cross-country du Primaire au Lycée franco-australien

Le cross-country annuel de notre école primaire s'est déroulé au Parc de Telopea le Vendredi 7 Mars dernier. La participation des élèves du CE1 à la Sixième nous a offert un spectacle formidable. Des journées comme celle-là demandent énormément d'organisation et c'est pourquoi nous voudrions remercier Ben Yuen et Megan Taylor de la faculté d'EPS, ainsi que Laure Chatelard, Cathy Marot, les élèves du Sport leadership, les professeurs et les parents qui me sont venus en aide ce jour-là. Ce fut un vrai effort d'équipe!

Todd the Frog et Gribouille la Grenouille, le livre du Lycée franco-australien

Ce livre nous raconte un voyage au sein du bilinguisme au Lycée franco-australien. Écrit et illustré par des élèves de la Maternelle à la Sixième en 2013, c'est un projet de l'école primaire marquant le 30^{ème} anniversaire de la signature de l'Accord binational et le 90^{ème} anniversaire de notre école. Il peut être acheté auprès du Secrétariat du Primaire pour la somme de 10 dollars.

Date de début des cours : 9h00

Le matin est une période particulièrement favorable à la socialisation des élèves avant le début des cours. Et pour les élèves de la Maternelle, c'est très important. Nous demandons donc l'arrivée de tous les élèves avant 9h00, heure à laquelle les cours commencent.

Objets trouvés

Dans notre placard situé près du Secrétariat du primaire on trouve un grand nombre de pulls, chapeaux, et autres choses. Veuillez y jeter un œil pour vérifier que les affaires de votre enfant ne s'y trouvent pas.

En vous remerciant du soutien que vous nous apportez régulièrement,

Claire Harding

Professeure principale pour le Troisième Cycle du Primaire

Primary Concert Choir

The ACT Instrumental Music Program is seeking students from Year 4 to Year 6 to audition for a new vocal ensemble, the Primary Concert Choir (PCC). The PCC will rehearse on Thursday afternoons from 4.30pm till 5.30pm during school terms at the IMP in Kaleen. The Primary Concert Choir will be conducted by Katharine Finlayson. The choir is an extension opportunity for students in ACT Education and Training Directorate schools and it is expected that members of the PCC will also participate in the choir or vocal ensemble at their school if this opportunity is available.

The choir is an excellent opportunity for enthusiastic and talented young singers to work together in a supportive and fun environment. Further details and information about how to apply for an audition are available from the Instrumental Music Program website at www.imp.act.edu.au. The application form can also be accessed through this site.

Information letters are available at your child's school. If you do not have internet access please telephone the IMP on 62058265.

Applications now open and close Friday March 14.
