

**KINDERGARTEN 2023 ENROLMENT CRITERIA PROPOSAL
FOR CARERS' INFORMATION AND FOR ADMINISTRATIVE PURPOSES ONLY**

Rationale:

The following criteria are intended to enhance and clarify the Kindergarten enrolment process at Telopea Park School based on the objectives of the bilingual program. These criteria establish a clear, fair and equitable approach to the selection process. The binational program offered at Telopea Park School is an opportunity, but also a challenge, for some students for whom French-English bilingualism is not a family experience, or who experience some difficulties in their mother-tongue. These criteria were established after assessing the elements that research and experience indicate will give students the best chance of academic success and wellbeing in the bilingual program. There is no obligation for Telopea Park K-6 to accept siblings that do not meet the program specific criteria to a high standard.

Principles:

- Base the language criteria on the reality of the child and their family, as well as the language heritage of the student
- Balance language skills with the child's school readiness for bilingual education
- Demonstrate the importance of a family environment actively engaged in the bilingualism process
- Indication of family's commitment to bilingualism
