Report from the Principal

A very warm welcome to the new school year! I hope you all have had relaxing and happy holidays and that your children are refreshed to start the new school year. This has been a busy week with 83 Kindergarten children and 200 Year 7 students joining the school on Monday. Several students have also joined in all other years, so that the school is now over capacity. It is affirmation of the high standards that Telopea Park School demonstrates for families to move into our area so that their children can attend the school.

Again this year we will be focussing on our school values of respect, cooperation, honesty and fairness to underpin all that we do. Academically we would like to see all students doing their best to achieve their potentials. We will focus on improved literacy and numeracy for all children. In spite of the fact that our NAPLAN results are outstanding, we believe that all students can improve and grow as they become lifelong learners. This again is a priority in the 2014 Annual Operating Plan.

Another priority is to improve communication both within and outside the school. As parents we ask that you assist us with this. A new website was launched last year and we hope that this is an improved communication tool for you. This new site allows you to access all information in either French or English. This year all Directorate (ETD) and school policies and procedures will be on our website, with as many documents translated as possible.

Please join with me in welcoming the following new teachers to the school:

Primary: Michael Ellis and Sandra Baurele with Maria Lamrani-Raphel and Joanna Staub returning

Secondary:

Elsa Goursolle – EFS/Humanities/French
 Ben Yuen – Executive Teacher of PE/Health
 John Daniels – Humanities

Frances Kleine – Japanese

Thomas Greig – Science

Nick Rothwell – Science

As well as several teachers returning after leave from the school:

Andrew Livermore – English

Pat Garratt – English

Melanie Consola – Languages

Diana Lawrence - Technology

We wish them a happy and successful time at Telopea Park School.

SCHOOL TERM DATES 2014

Term 1

3 February – 11 April

Term 2

28 April – 4 July

Term 3

21 July – 26 September

Term 4

13 October – 17 December

This year you will receive information about the provision of Information Communication Technologies (ICT) in the school. From time to time teachers access various safe sites for their students. It is now necessary for you to know which sites/programs that we use and for you to give your approval to do this. Please read the information and return the permission note to the school as soon as possible. This information will be sent to you in Week 2.

Secondary parents, please see attached to these Topics, this term's Assessment Calendar. We ask that you work with your children to plan their time wisely and to be aware that at various times in the term there will be several assessments due. Reinforcement of good time management and organisational skills are areas where parents and teachers can work together to support students.

This year in secondary we will be using a program called *Turnitin*, to ensure that all student work is original. We will brief students on best practice in research skills.

I would like to take this opportunity to wish all members of our school community a happy and rewarding year. I look forward to working with you so that together we can deliver the best possible education to every child in the school in a safe and caring environment.

Warm regards
Kerrie Blain
Principal

LE MOT DU PRINCIPAL

Bienvenue en cette nouvelle année scolaire! J'espère que vous avez bien profité de vacances reposantes et satisfaisantes et que vos enfants sont fin prêts à démarrer cette nouvelle année scolaire. La semaine a déjà été bien remplie avec l'arrivée de 83 enfants en Maternelle et de 200 élèves de Cinquième qui ont rejoint notre école lundi matin. Plusieurs nouveaux élèves ont aussi rejoint les rangs dans d'autres classes, ce qui fait que notre école fonctionne au maximum. Preuve s'il en faut que le niveau élevé du Lycée franco-australien encourage les familles à s'installer dans le quartier afin que leurs enfants puissent s'inscrire dans notre établissement scolaire.

A nouveau cette année nous réaffirmerons les valeurs de l'école, respect, coopération, honnêteté et équité, dans toutes nos entreprises. Du point de vue académique, nous aimerions voir tous les élèves faire le maximum pour atteindre leur potentiel. Nous nous concentrerons sur la connaissance du langage et la culture des mathématiques pour tous les enfants. Nos résultats aux évaluations australiennes (NAPLAN) sont excellents, mais nous estimons que tous les élèves peuvent améliorer leur performance et progresser pour devenir des apprenants à long terme. Une fois de plus, ceci est une priorité de notre plan opérationnel annuel pour 2014.

Une autre de nos priorités est l'optimisation de notre communication au sein de l'école et à l'extérieur. Parents nous avons besoin de votre aide en la matière. Un nouveau site a été lancé sur la toile l'an dernier et nous espérons qu'il sera pour vous un outil de communication amélioré puisqu'il vous permet l'accès à de nombreuses informations en français et en anglais. Cette année, l'ensemble des directives et règlements scolaires et départementaux seront présents sur notre site, et la plupart traduits autant que possible.

Joignez-vous à moi pour accueillir chaleureusement les nouveaux professeurs de notre école :
Dans le primaire: Michael Ellis et Sandra Bauerle, plus Maria Lamrani-Raphel et Joanna Staub qui nous reviennent.

Dans le Secondaire:

Elsa Goursolle (EFS-Histoire-Géographie/Letters)

Ben Yuen (professeur principal en Education physique et Santé)

John Daniels (lettres humaines)

Frances Kleine (japonais)

Thomas Greig (sciences)

Nick Rothwell (sciences)

Ainsi que ceux qui nous retrouvent après une période de congé:

Andrew Livermore (anglais)

Pat Garratt (anglais)

Melanie Consola (langues)

Diana Lawrence (technologie)

Nous leur souhaitons un séjour enrichissant et satisfaisant au Lycée franco-australien.

Cette année vous recevrez l'information concernant les Technologies de l'information et de la communication (TIC) à l'école. Régulièrement, les professeurs accèdent à des sites sans danger pour leurs élèves. Il est donc nécessaire que vous soyez au courant de ces sites ou programmes et que vous en donniez votre accord. Nous vous prions de lire cette information et de nous retourner le plus tôt possible le formulaire d'autorisation. Les documents vous parviendront en semaine 2.

Parents du Secondaire, vous trouverez joint à cette lettre le calendrier des évaluations trimestrielles. Nous vous demandons d'aider vos enfants à gérer leur temps avec intelligence et de savoir que dans le courant du trimestre plusieurs devoirs sont dus à diverses échéances. Consolider la gestion du temps et les qualités d'organisation sont deux domaines où parents et professeurs peuvent travailler ensemble pour le bien des élèves.

Cette année dans le Secondaire nous utiliserons un programme intitulé *Turnitin*, en vue de nous assurer que toutes les productions de l'élève sont bien personnelles. Les élèves seront informés des meilleures pratiques de recherche.

Je voudrais profiter de cette opportunité pour souhaiter à tous les membres de notre communauté scolaire une année heureuse et bénéfique. Je serai heureuse de travailler avec vous pour que nous puissions ensemble offrir la meilleure éducation possible à chaque enfant de notre école dans un environnement sécurisé et attentionné.

Bien cordialement,
Kerrie Blain

Career Development

As the Career Development Officer at Telopea Park School, my role is to support students to:

- find suitable work experience placements
- gain a tax file number
- access information regarding an ASBA (Australian School Based Apprenticeship)
- seek volunteer opportunities
- provide general career advice

As a part time officer, I work at Telopea Park School each Wednesday and Thursday. My office is in the Career Development Room, on the ground floor of the third storey building.

It is always best if students initiate the desire to undertake a work experience placement, an ASBA, seek a tax file number or volunteer work. However, I understand that parents of Year 9 and 10 students, may also require information concerning Career Development opportunities for their students. Should any parent wish to contact me, my contact details are below. I look forward to hearing from you.

SECONDARY NEWS

I would like to extend a warm welcome to all students and families of Telopea Park School for Semester 1, 2014. I hope everyone has settled back after a restful holiday and set achievable goals for themselves this year.

Telopea Park School has four values, Respect, Cooperation, Fairness and Honesty. These values can be demonstrated by the entire student community by wearing appropriate school uniform, punctual attendance and communication with staff and peers.

The Student Services Team of Telopea Park School is quite extensive and available to provide a wide range of support for students and their families. Please feel welcome to contact myself, Mrs. Louis (6205 5588), Ms. De Poorter (6205 5588) or the appropriate Year Co-ordinator to discuss concerns and enable us to facilitate relevant appointments and communication on your behalf. Year 10, Ms. Megan Taylor (6205 8519), Year 9, Mr. Andrew Barnett (6205 5580), Year 8, Ms. Larissa Shihoff (6205 5582) and Year 7, Mrs. Kirsty Hilson (6205 5575). We also welcome to the Student Services Team Ms. Bev. Carroll (6205 5577) who will be supporting the Year Coordinators in their busy roles.

Please encourage your student to reflect on their strengths and set achievable goals for 2014. You can assist your student by requesting to view and sign Unit Outlines for each subject and discuss which items on the Assessment Calendar are relevant to each child. If you would like assistance with supporting your student in developing successful study skills and meeting assessment deadlines please contact your student's Year Co-ordinator. The Homework Club is also available on Wednesday afternoons from Week 3 for extra study assistance. Please contact Noni See (6205 5300) in Student Services for permission notes and information on the Homework Club. Mathematics support is also available in the Library on Tuesday lunchtimes for all students.

Students can demonstrate their membership of the Telopea Park School community by wearing the school uniform. Please be aware that students are encouraged to wear appropriately coloured clothing, including warm winter clothing, as part of the school dress code. Black leather shoes are an Occupational Health and Safety requirement of many subjects and students not adhering to these regulations may be excluded from taking part in classes in; the Arts, Science and Technology. Please refer to Pages 32-33 of the Telopea Park School Diary for more detail regarding the Uniform Dress Code Policy.

I would encourage all parents/carers to inform Student Services of any change in contact details such as phone numbers or addresses as soon as possible. It is imperative that the school has up to date information with which to communicate as required.

Attendance is crucial for students to achieve to their potential and maintain connectivity to the school. School hours are **8.45am – 3.15pm, Monday – Friday**. Students arriving late to school are expected to sign in at Student Services, regardless of time, with a note explaining their absence. Absences are reported on each student's record. A parent/carer must contact the school within five days to explain an absence from school. The most effective way of communicating with the school is via email: student.welfare@telopea.act.edu.au or phone: 6205 5576 (with a subsequent letter or email).

Students requiring to leave the school for any reason are required to provide a permission note from a parent/carer, collect a Leave Pass at Student Services and wait at the Front Office at the requested leaving time. It would be greatly appreciated if students could gain their Leave Pass as early as possible in the day and are punctual when waiting for their parents/carers.

Parents/carers are also encouraged to enrol in the SMS/email contact that Telopea Park School provides. Parents/carers will be notified by 11.00am each morning via SMS/email if their student has not attended Pastoral Care Group 8.45-8.55am.

Students are also reminded that they should not be arriving at school before 8.15am. Students arriving before this time are not supervised nor allowed inside the school buildings.

I wish everyone a successful year at Telopea Park School. Please feel welcome to communicate any information or concerns to Student Services so we can best assist your student in achieving to his/her potential.

We welcome communication with you. Please contact us if you have any concerns or queries. Please use the Communication Book to contact your child's teachers. On Thursdays, the school sends letters, notices and information home. Wherever possible, this is bilingual.

Changes in Primary

As Kerrie Blain has already mentioned earlier we have new staff. Again, welcome to: Michael, Sandy and Maria. Welcome back to Joanna.

We have had major relocations in Primary and to help you know your way around I will list the changes.

- Mrs Solomko's office is now located in the Year 2 corridor next to the English room.
- Kindy 4's French room is next to the Primary Office in the Year 3 corridor
- Year 6 French room (Julien Dugas and Ahmed Chaouche) has been relocated to the EALD room in the new building.
- EALD (with Aminah Kazak) is located in the ex-staffroom opposite the Year 6 English room.
- Music is now located in the new building in the former Year 6 French classroom.

NB: Of course, these changes also mean that access to the Primary Office and foyer and After School Care from Kindergarten playground will have to be via the Primary Quad. We apologise in advance for any inconvenience this may cause.

PIPS for Kindergarten

PIPS is a Kindergarten literacy and numeracy assessment. Information about this will be sent home by K-2 Executive Teacher, Kathy Solomko. Kindergarten students will commence their PIPS assessment in Week 3.

French Book Fair Week 2

There will be French Book Fair during Week 2. This is an opportunity for to build up your child's collection of French books and support their bilingual education. An information letter has gone home this week.

'Todd the Frog and Gribouille la Grenouille', 'Un Zeste de Teloepa' and other Publications for Sale

If you have not been able to purchase **'Todd the Frog and Gribouille la Grenouille'**, the story of our bilingual school as told by the students, then you may still do so! It is an uplifting tale. The cost is \$10 and you can purchase it from the Primary Office.

'Un Zeste de Teloepa' is the cookbook published by the P&C last year to celebrate the anniversaries of the school. It is a marvellous representation through food, of what we have achieved! You can still buy a copy from the Finance Office for \$40.

Teloepa Park School Yearbook 2013 is a colourful record of all that was achieved in 2013 by Kindergarten to year 10 students. It is a wonderful souvenir for your child.

Hopefully, you might be able buy one or all of these marvellous publications? I am so proud of them.

I look forward to working with you again this year.

Best wishes,

Kate Sutherland

NOUVELLES DU PRIMAIRE

C'est toujours une joie de voir les enfants retourner à l'école frais et dispos et de voir nos nouveaux élèves si curieux et si impatientes!

Merci aux parents

Le trimestre a débuté sans problème et nous voudrions vous remercier pour le rôle que vous avez joué dans la préparation de votre enfant en amont du travail qui l'attend, y compris l'uniforme, les chaussures noires et le matériel scolaire.

Communication des parents avec l'école

Nous sommes heureux de communiquer avec vous. N'hésitez pas à nous contacter en cas de souci ou de questionnement. Pour cela veuillez utiliser le Cahier de communications pour entrer en contact avec le professeur de votre enfant. Tous les jeudis, l'école vous fait parvenir lettres, notes et informations. Et dans la mesure du possible en bilingue.

Si vous souhaitez me contacter, appelez les numéros suivants : 62055591 ou 62055599.

Changements dans le primaire

Kerrie Blain l'a déjà mentionné, nous avons de nouveaux enseignants. Bienvenue à: Michael, Sandy et Maria, ainsi qu'à Joanna qui nous revient.

Nous avons procédé à quelques aménagements dans le primaire et pour vous aider en voici une liste:

- Le bureau de Mme Solomko se trouve désormais dans le couloir des CE1, à côté de la salle d'anglais.
- La salle de français de la Maternelle 4 se trouve à côté du secrétariat du primaire dans le couloir des CE2.
- La salle de français des Sixième (Julien Dugas et Ahmed Chaouche) se trouve maintenant dans la salle d'anglais seconde langue (EALD) dans le nouveau bâtiment.
- Cette salle d'anglais seconde langue (avec Aminah Kazak) se trouve dans l'ancienne salle des professeurs en face de la classe d'anglais des Sixième.
- La musique est désormais enseignée dans le nouveau bâtiment dans l'ancienne classe de français des Sixième.

N.B.: Tous ces aménagements signifient bien sûr que pour accéder de la maternelle à la réception, au secrétariat du primaire et au programme périscolaire, il faudra passer par la cour de récréation du primaire. Nous nous excusons d'un tel dérangement.

PIPS pour la maternelle

PIPS est une évaluation en compréhension du langage et culture des mathématiques pour les élèves de maternelle. L'information à ce sujet sera envoyée aux parents par Kathy Solomko, la professeure principale en charge du second cycle du primaire. Cette évaluation commencera en semaine 3.

La Foire aux livres français en Semaine 2

Une foire des livres français est prévue en Semaine 2. C'est l'occasion pour vous d'enrichir votre collection de livres en français et d'apporter votre soutien à leur éducation bilingue. Une lettre d'information à ce sujet a été envoyée cette semaine.

'Todd the Frog et Gribouille la Grenouille', 'Un Zeste de Telopea' et autres publications en vente

Si vous n'avez pas encore pu le faire, il est encore temps pour vous d'acquérir **'Todd the Frog et Gribouille la Grenouille'**, l'histoire de notre école bilingue racontée par nos élèves et un conte réjouissant. Il ne coûte que 10 dollars et vous pouvez vous le procurer auprès du secrétariat du primaire.

'Un Zeste de Telopea' est le livre de cuisine publié par l'Association des parents d'élèves l'an dernier pour célébrer les anniversaires de notre école. C'est une splendide représentation par la voie culinaire de ce que nous avons accompli! Vous pouvez vous le procurer auprès du secrétariat de l'école pour la modique somme de 40 dollars.

Telopea Park School Yearbook 2013 est un document pittoresque de ce qui a été accompli en 2013 par nos élèves de la maternelle à la seconde, et en même temps un merveilleux souvenir pour votre enfant.

Vous pouvez vous procurer l'une de ces publications ou toutes pourquoi pas ? J'en suis si fière.

Je suis heureuse de travailler avec vous cette année encore.

Meilleurs vœux,

Kate Sutherland

If you would like to sign up to P&C communication emails, please subscribe at the P&C website: www.telopeapnc.org.au/

How does the P&C help the school?

All parents are automatically a member of the P&C. We work with the school to provide input on a range of issues and to help improve the school community. Getting involved in the P&C is a great way to have your say on what issues are important to you and your children at the school.

What we do

In 2013, the P&C hosted a French breakfast, produced the Un Zeste de Telopea Cookbook, helped out with lost property, represented the school at community events, coordinated the school fete and raffle and worked with the school on increasing music opportunities for students. The P&C also runs the After School Hours Care Program and holiday program.

In 2014, the P&C allocated around \$100,000 to projects and equipment that will help improve the school environment for the students. This year we will be working with the school and raising funds for improvements to the primary play area. We welcome parents' support, ideas and input over the coming year to help develop this new project.

After school music tuition

The P&C is working with the school and Canberra Music Tuition with the aim of offering private music tuition opportunities for students after school. Further details will be provided shortly.

Best wishes for 2014.
