REPORT FROM DEPUTY PRINCIPAL

Dear Parents/Carers,

It has been another busy start to school with students settled into their classes and engaging in a wide range of activities including Sustainability and Cultural Awareness. I sincerely thank the teachers for their enthusiasm supporting the students to engage with such diverse opportunities and look forward to seeing what 2022 brings.

I would like to extend a warm welcome to all the new teachers at Telopea Park School. Beth Chapman, Eliza Nowlan, Megan Evans, Sally-Lee Hill, Barbara Hill, Raphael Vergaygne, Marjorie Dennquin, Cindy Paez Gomez, Kara O'Rourke and Priscilla Boulet-Gilly have brought a range of exciting and valuable skills to our teaching community. Susan Lewis has returned from Maternity Leave and we have also welcomed a large number of staff including Stacey Jackson (Secondary Student Support Officer), Jess Mathie (Secondary School Youth Health Nurse), Justine Rainey (Secondary School Psychologist), Lucy Costa (Learning Support Assistant), Roz Costa (Learning Support Assistant), Sean Drummond (Learning Support Assistant), Ghaissaa El-Hassan (Learning Support Assistant), Caleb Esera (Learning Support Assistant – Raiders Program) and Krystal Thomas who further enhance the Telopea Park School community.

We farewelled Michele McLoughlin (Deputy Principal 7-10) at the end of February. She leaves in her stead an embedded love of learning and the importance to place every student's wellbeing as a priority. Students, past and present, shared their stories and experiences with Michele during a special assembly

and clearly communicated her positive impact on their lives. Her leadership of staff and students was indefatigable, and I wish Michele an immensely happy and healthy retirement.

Community members are invited to join one of the four school committees that meet once a term on specific Wednesday afternoons. Parent/carers or community member who are interested are encouraged contact the relevant staff member as, unfortunately, due to the COVID-19, there are changes to how these committees are operating.

Finally, I would like to sincerely thank all the students, staff and parents/carers who have welcomed me so warmly into the Acting Deputy Principal role. I wish everyone a safe and healthy remainder of this term.

LE MOT DU PRINCIPAL-ADJOINT

Chères familles,

Ce début d'année a été une fois de plus très actif, les élèves se sont bien intégrés dans leurs classes et s'engagent dans une multitude d'activités, notamment sur le développement durable et la sensibilisation culturelle. Je remercie sincèrement les enseignants qui aident les élèves à s'engager dans des activités aussi diverses, toujours avec enthousiasme. J'ai hâte de voir ce que 2022 nous réserve.

Je voudrais souhaiter la bienvenue à tous les nouveaux enseignants du lycée franco-australien de Canberra /Telopea Park School. Beth Chapman, Eliza Nowlan, Megan Evans, Sally-Lee Hill, Barbara Hill, Raphael Vergaygne, Marjorie Dennquin, Cindy Paez Gomez, Kara O'Rourke et Priscilla Boulet-Gilly ont apporté avec eux leurs nombreuses compétences incroyables et qui seront utiles à notre communauté d'enseignants. Susan Lewis est revenue de congé de maternité et nous avons également accueilli un grand nombre de nouveaux personnels, notamment Stacey Jackson (responsable du soutien aux élèves du secondaire), Jess Mathie (infirmière du secondaire), Justine Rainey (psychologue du secondaire), Lucy Costa (assistante d'éducation), Roz Costa (assistante d'éducation), Sean Drummond (assistant d'éducation), Ghaissaa El-Hassan (assistante d'éducation), Caleb Esera (assistant d'éducation pour le programme Raiders) et Krystal Thomas, qui viennent renforcer les rangs de notre communauté.

Nous avons dit au revoir à Michele McLoughlin (principale-adjointe) le mois dernier. Elle laisse dans son sillage un amour profond de l'apprentissage et l'importance de faire du bien-être de chaque élève une priorité. Les élèves, anciens et actuels, ont partagé leurs anecdotes et leur expérience avec Michele lors d'une assemblée spéciale et ont clairement parlé de son impact positif sur leur vie. Le leadership qu'elle a exercé sur le personnel et les élèves était inépuisable, et je souhaite à Michele une retraite longue et heureuse.

Les membres de la communauté sont invités à rejoindre l'un des quatre comités scolaires qui se réunissent une fois par trimestre, le mercredi après-midi. Les familles ou les membres de la communauté intéressés sont invités à contacter la personne pilotant le comité en question car, malheureusement, en raison du COVID-19, nous avons dû modifier le fonctionnement de ces comités.

Semaine 2	Comité TICE	Tom Spollard
Semaine 4	Comité Données (anciennement Programmes scolaires)	Natalie Stewart
Semaine 6	Comité Intégrité culturelle	Melanie Consola
Semaine 8	Comité Elèves précoce	Anna McGown

Enfin, je tiens à remercier sincèrement tous les élèves, le personnel et les familles qui m'ont accueillie si chaleureusement dans mon rôle de Principale-adjointe par intérim. Je souhaite à tous de passer une fin de trimestre agréable.

HIGH SCHOOL ANNOUNCEMENTS

Student Engagement

Our Year 7 students have settled in well at high school under the direction of Year 7 Coordinator Micky Thomas. They are enthusiastically participating in the Peer Support online program run by the Year 10 Peer Support Leaders every Thursday during their Enrichment lesson. This program is helping our Year 7 students build connections with their contact group and work collaboratively in challenging activities. In Personal & Social students are exploring online safety through ESafety - Taking the Lead Program and transitioning into high school with their contact group teachers.

Year 8 students have brought lots of energy into the academic year and are working on goal setting and friendships in their Personal and Social lessons this term. Annemarie Power is the Year 8 Coordinator and has been helping our Year 8's settle into their classes.

Year 9 students have made an enthusiastic start to the year and are adjusting to new classes and challenges with the support of their classroom teachers and Year Coordinator Cade Williams. In their Personal and Social lessons students will be looking at developing skills to build resilience and communications skills.

Year 10 students are growing into their role as leaders of our school under the direction of Year Coordinator Sheree Avard. Our Peer Support leaders are embracing the challenge of delivery of the Peer Support Program online due to cohorting restrictions. This term in Personal and Social Year 10 students will be covering time management/planning and they will also look at building resilience during these lessons.

Recently all Year 10 students participated in Personal Project Round Tables and are now working to complete their Personal Projects which are due later this year.

Immunisations

Our Year 7's received their first vaccine dose for Human Papillomavirus (HPV) on Monday February 14th. They will receive their second dose of HPV and their first dose of Diphtheria Tetanus Pertussis (dTpa) on Thursday December 1st. If students were away that day, we have been given the advice that parents will need to contact their GP after April 1st to book an appointment to receive their first dose of the HPV vaccine. Our Year 8's also received their immunisations on Tuesday February 15th, and this was the catch-up for the missed immunisations for our school from last year due to Covid. Once again ACT Health has advised that if students missed this, parents/carers will need to organise this through their GP.

On Friday April 8th our Year 10 students will receive their Meningococcal (ACWY) vaccine and students are reminded to bring in their immunisation cards as soon as possible.

Student Representative Council

Our SRC with assistance from other Year 10 students ran a very successful Valentine's Day fundraiser for the year 10 formal and raised \$656. Students were delivered chocolate roses in the CG groups, and it brought many smiles to students faces.

The next fundraising event for the SRC will be Harmony Week which runs from March 21st-27th.

Our School Captains for 2022 are Year 10 students Alex Shaw and Ava-Rose Moss.

Our Year 10 SRC members are Alex Shaw, Ava-Rose Moss, Aaliah Battison, Bridget Lehane, Des McRedmond, Aarushi Rao, Polina Trukhanov. Our Year 9 SRC members are Yong Lee, Hubert Burke, Maxwell Lukin, and Anaahita Chauhan. Our Year 8 SRC members are Siddharth Shanbough, Sadia Rogers, Lachlan Li, and Sar James.

Our Year 7 SRC members Georgiana Roper, Saathvik Shankar, Scarlett Widmaier, Hamish Blair, Parama Barua. Congratulations to our Telopea Park School SRC representatives for 2022.

PRIMARY NEWS

Francophonie Week (12-20 March)

During Francophonie Week, our primary students have been engaged in different projects:

2022 Francophonie Competition:

This year, the country our school worked on was Belgium. They made posters and took part in the competition. The award ceremony will take place at the Alliance française during the Francophonie market, on March 18th, 2022, between 4:00 and 6:00pm.

Project on Caledonian Tales:

This year, two of our Year 2 classes took part in this project. A storyteller from New Caledonia will have a special online session with our students on March 16th, in the morning.

“Dis-moi dix mots” competition:

This year, our students will be working on “Stupefaction” («Dis-moi dix mots qui (d)étonnent») Students are invited to play and express themselves in a literary and/or artistic form, using the selected words.

French Film Festival

The Alliance Française French Film Festival is here!

With forty-two different films covering genres from comedy to action, thrillers to romance, there is something for everyone. And for all ages!

Let yourself be captivated by the performances of your favorite French actors such as Gérard Depardieu, Catherine Deneuve and Juliette Binoche.

The entire festival will be available until April 6 at the Palace Electric Cinema in Canberra.

Travel to France without leaving Canberra!

Book your tickets now on <https://www.affrenchfilmfestival.org/canberra>

Primary French National Tests and exams

Year 1, Year 2 and Year 6 students have now taken the French national tests in French and Mathematics. These tests support the Minister's priority given to the French primary sector where literacy and numeracy play a key role.

These tests have two objectives:

- To provide teachers with reliable and precise benchmarks of student learning; these elements complement their own tools. The results allow for individual and collective assessment of learning and anchor student learning during the school year.
- To provide the "School" with consolidated information that can shed light on the effects of educational policies. In this respect, tests and exams have been particularly valuable in assessing the effects of the health crisis on student learning and in supporting their learning through specific actions.

Lunchtime sports activities

Since last week, our PE teacher has been leading sports activities for our primary students during lunch time.

We offer these activities in Term 1:

- Outdoor multi-sport activities (dodgeball, balle assise, passe à dix...) for Year 1 and 2 students
- on Mondays.
- Indoor multisport activities (basketball, dodgeball...) for Year 3 and 4 on Tuesdays.
- Motor skills activities for kindergarten students on Thursdays.
- Indoor team games (basketball, dodgeball) for Year 5 and 6 students on Fridays.

Warm Regards,

The Primary Team

Evaluations Nationales françaises

Les élèves de CP, CE1 et 6e viennent de passer des évaluations. L'organisation de ces évaluations s'inscrit dans la priorité absolue donnée depuis 2017 à l'école primaire française, où se joue l'acquisition des savoirs fondamentaux.

Ces évaluations visent deux objectifs :

- Proposer aux professeurs des repères sûrs et précis sur les acquis des élèves ; ces éléments viennent compléter leurs propres outils. Les résultats permettent d'apprécier d'un point de vue individuel et collectif les acquis et d'ancrer les apprentissages des élèves durant l'année scolaire.
- Permettre à l' « École » de disposer d'éléments consolidés susceptibles d'éclairer les effets des politiques éducatives. À ce titre, les évaluations ont été particulièrement précieuses pour apprécier les effets de la crise sanitaire sur les apprentissages des élèves et pour y remédier par des actions spécifiques.

Activités sportives menées sur le temps du midi

Le professeur d'EPS mène depuis la semaine dernière des activités sportives pour les élèves du primaire sur le temps du midi.

Pour ce trimestre les élèves peuvent bénéficier :

- Le lundi, pour les élèves de CP-CE1, d'activités multisports en extérieur : balle aux prisonniers, balle assise, passe à dix...
- Le mardi, pour les élèves de CE2-CM1, d'activités multisports en intérieur et en extérieur : basketball, dodgeball...
- Le jeudi, pour les élèves de GS de maternelle, de parcours de motricité,
- Le vendredi, pour les élèves de CM2-6e, de jeux collectifs en intérieur : basketball, dodgeball...

Warm regards,

We aim to provide a welcoming, warm and supportive environment for the children. This allows our children to feel safe and secure and to build strong friendships with other children in our service.

We have a mix of French and English-speaking educators who provide a range of games and activities and support children to make new friends across year levels.

In addition to varied weekly after school care programming, we offer a range of extra-curricular activities through the ECA program. The program is charged separately and involves a term commitment as professional instructors come into the school to run different activities. This term it is Soccer, Tennis, Taekwondo, and Capoeira. We also provide French Homework and conversation classes through this program.

A healthy afternoon tea is handmade each day in-house and provided for after school care and ECA children. Depending on the day, snacks this term include salad sandwiches, fruit, and homemade muesli bars. Breakfast is provided at before school care for students arriving prior to 8am.

The main way we correspond with families is through email. Please ensure you add us to your contacts, so you receive any updates. If you are not receiving emails or wish to be added to our mailing list, please email director@tpsoshc.org.au.

Jérôme Commandeur (*Asterix: The Secret of the Magic Potion*) produces a satire full of twists and turns, poking fun at France and its public service, but kindly and with tenderness.

An irresistible force meets an immovable object when a zealous ministerial inspector (Pascale Arbillot), determined to do everything in her power to make cuts in civil service spending, comes up against Vincent Peltier (Jérôme Commandeur), a peaceful civil servant at the Water and Forestry Department in Limoges. As far as he's concerned, his job, is "guaranteed for life"!

The war of nerves has only just begun when she transfers him to some of the most inhospitable places on Earth, including the North Pole!

Nous visons à offrir aux enfants un environnement accueillant, chaleureux et encourageant. Cela leur permet de se sentir en sécurité et soutenus et de nouer des amitiés fortes avec les autres enfants dans notre service.

Notre équipe comprend des éducateurs francophones et anglophones qui proposent un éventail de jeux et d'activités et aident les enfants à se faire de nouveaux amis lorsqu'ils passent à une année supérieure.

Outre nos programmes hebdomadaires variés de garde d'enfants après l'école, nous offrons également un grand choix d'activités périscolaires dans le cadre du programme « ECA » (activités périscolaires en anglais). Facturées séparément et organisées par trimestre, les différentes activités de ce programme sont dirigées par des instructeurs professionnels venus de l'extérieur. Ce trimestre, nous proposons du football, du tennis, du taekwondo et de la capoeira. Dans le cadre de ce programme, nous organisons également des cours d'aide aux devoirs et de conversations en français.

Qu'ils soient inscrits aux services de garde d'enfants après l'école ou au programme d'activités périscolaires, les enfants reçoivent un goûter à base d'ingrédients sains, préparé chaque jour par nos soins en interne. Selon le jour, les goûters ce trimestre comprendront des sandwichs de crudités, des fruits et des barres muesli faites maison. Les enfants confiés à notre service de garde d'enfants avant l'école qui arrivent avant 8 h reçoivent également un petit-déjeuner.

Nous communiquons avec les familles principalement par courriel. Veillez à nous ajouter à vos contacts afin de vous assurer de recevoir nos mises à jour. Si vous ne recevez pas nos courriels ou si vous souhaitez être ajouté(e) à notre liste de diffusion, veuillez envoyer un courriel (en anglais) à director@tpsoshc.org.au.

Des informations complémentaires sur nos services, y compris sur toutes les politiques, sont disponibles sur le site <https://www.telopeapnc.org.au/services/before-and-after-school-care/>. Vous pouvez également nous envoyer un courriel (en anglais) ou nous appeler si vous avez des questions. Notre bureau est ouvert de 9 h à 18 h. Téléphone : 0462 692 553

N'hésitez pas à venir nous dire bonjour, à nous poser des questions ou à discuter avec nous pour déterminer la meilleure manière de soutenir votre enfant dans nos programmes.

COVID-19 vaccination social scripts: a resource for families who have children with autism

Amaze and the National Disability Services have developed social scripts that outline the process of getting a COVID-19 vaccination. These social scripts provide autistic people with an opportunity to prepare themselves for their vaccination and reduce anxiety. Social scripts are stories and images that explain new experiences and social environments.

While the social scripts have been developed for autistic people, anyone who is feeling anxious about the process of getting a COVID-19 vaccination can use and benefit from the resources. For more information and to download the scripts, go to [COVID-19 vaccination social scripts - Amaze - Autism resource](#).

Public Health Alert: protect against mosquito bites – message for school newsletters

The ACT Health Directorate has alerted the Canberra and surrounding community to protect themselves against mosquito bites. Japanese encephalitis virus (JEV) has been detected in samples from pigs in commercial pig farms at locations in regional New South Wales, northern Victoria and southern Queensland, indicating the virus is likely circulating in the mosquito population.

The alert includes more information about the symptoms of JEV and a list of simple actions to avoid mosquito bites. Schools may consider sharing a link to the Public Health Alert in their school newsletters: [Public Health Alert: protect against mosquito bites](#).

Start planning – National Day of Action against Bullying and Violence – 18 March 2022

It's not too late to plan your school's participation in next week's National Day of Action against Bullying and Violence (NDA) on Friday 18 March. The 12th annual NDA has the theme 'Kindness Culture'. Kindness is a key element in bullying prevention and promotes inclusiveness, respect and a sense of belonging. ACT schools have been engaged in this National Day of Action since it started in 2011 and have reported its positive impact on school culture. Schools participate in the NDA in ways that are suited to their context – from whole school to classroom activities, for one day or over a period of time through curriculum areas. Bullying. NoWay! has partnered with the eSafety Commissioner, Be You, Kids Helpline and the Student Wellbeing Hub to provide a range of activities. A toolkit for schools has been emailed to registered schools. Attached is information from eSafety about virtual classrooms and a parent/carer webinar. To find out more, to receive the toolkit or register for the NDA, go to [National Day of Action against Bullying and Violence](#).
