

# Telopea Park School expansion & modernisation

The ACT Government is progressing early planning work to expand and modernise Telopea Park School's Senior Campus, creating improved facilities for students, staff, and the broader community.

Learn more about the proposed redevelopment of the Telopea Park School Playing Fields through an amendment to the Territory Plan.

Area subject to rezoning marked in red on the map

## Overview

As part of the Senior Campus expansion and upgrade project, the Telopea Park School Playing Fields are proposed for redevelopment to include a new multi-purpose hall and car parking.

Currently, this land is zoned Restricted Access Recreation Zone (PRZ2), which allows for recreation-related uses such as sport, clubs and hotels.

To allow the land to be used for educational purposes, a Major Plan Amendment (MPA) is needed. The MPA would adjust the Territory Plan to change the zoning from PRZ2 to Community Facilities Zone (CFZ).
