

**AUSTRALIAN MATHEMATICS COMPETITION**

Thursday 4 August 2022

*Your opportunity to represent Australia in Maths Competition!*

Dear Parents/Guardians,

School-based maths competitions don't get much bigger than this—with more than 15 million entries since 1978 and students in more than 30 countries attempting the same problems each year.

The school-based competition is suitable for students from lower secondary to upper secondary. Entrants in years 7/8 and 9/10 have 75 minutes to solve more complex problems.

The problems get more challenging as the competition progresses, so students of all abilities will be challenged and inspired.

Please note: In order to keep the entry fee as low as possible, AMT does not refund any entry fees once we send materials to schools. This includes entry fees for students who, for whatever reason, do not end up sitting the competition.

This year the maths competition will be online so students will need to ensure that their laptops are charged and brought on the day of the test.

Competition Date: Thursday, 4 August 2022 (Week 3, Term 3)  
Entry Fee: \$7.00  
On-line Fee Code: AMC  
Entry Closed: Monday, 25 July 2022 (Week 2, Term 3)  
Contact Person: Jeff Mansfield (Mathematics Faculty)
